
Every year on August 6th, the Catholic Church celebrates the Feast of the Transfiguration of the Lord. This feast represents an extraordinary event when Jesus becomes transfigured and radiant in glory upon Mount Tabor. This miracle of Jesus happens in front of the apostles Peter, James and John. Moreover, it is also the revelation of his divine glory for all of us, and in some sense, it is a foretaste of our future vision of God and our participation in the divine nature. Dear fellow Branch Officers and Members of the Chicago District FCSLA, I am praying for us that we will be continually delighted from our possibility to encounter Jesus in the Sacrament of the Eucharist, where Christ is really, truly, and substantially present under the remaining appearances of bread and wine.
