

IN 2011 WE *RESOLVE TO IMPROVE THE WORLD* - ONE STEP AT A TIME

From the desk of Deborah Brindza, M.D., National Medical Examiner and
Sue Ann M. Seich, Fraternal & Youth Director

HAVE YOU CONSIDERED A "GREEN" CHRISTMAS?

This article will offer you a few suggestions on how to help you have a "green" Christmas.
Have you considered?

Using Christmas bags instead of wrapping paper. (They can be reused.)

Saving your Christmas Cards front covers to be reused.

Cutting the used stamps off of the envelopes you receive, they can be donated.

Recycling a live Christmas Tree along with any other recyclable items.

Using old newspapers for padding instead of bubble wrap or foam peanuts.

Using recyclable items for homemade gifts. When you take the time to make something special, it is always appreciated.

These are only a few suggestions we thought you may want to try. You could probably add a few more to our list. If you care to share an idea, please send it in to: Sue Ann M. Seich, Fraternal & Youth Director, 24950 Chagrin Blvd., Beachwood, OH 44122 or email her at sueann@fcscla.org.

It has been our privilege to visit with you through our articles this year. We wish all our members and their families a very "**Merry Christmas**" and the happiest and healthiest of "**New Years**"
