

## FCSLA YOUTH CONFERENCE

**Our association is investigating the possibility of planning a Youth Conference in the near future for our members ages 18-30. This gathering would give our younger members an exciting opportunity to share their views, ideas and suggestions for the continued growth and success of our association. What can we do to encourage our younger members to take an active role in the future of FCSLA? We are asking for branch officers and members to respond with their views or opinions. If you are a member age 18-30 and would like to participate in an FCSLA Youth Conference, we would like to hear from you? All we ask is that you are actively participating in your local branch's and/or district's activities.**
